NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE ANNUAL GENERAL MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.** Pursuant to the provisions of Section 105 of the Companies Act, 2013, a person can act as a proxy on behalf of not more than fifty members and holding in aggregate not more than ten percent of the total Share Capital of the Company. Members holding more than ten percent of the total Share Capital of the Company may appoint a single person as proxy, who shall not act as a proxy for any other Member. The instrument of Proxy, in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not later than 48 hours before the commencement of the meeting.
2. Corporate Members, intending to send their authorized representatives to attend the Meeting are requested to send a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.
3. The Register of Members and Share Transfer Books will remain closed from Saturday, 22nd September 2018 to Friday, 28th September 2018 (both days inclusive).
4. Members are requested to bring their attendance slip along with their copy of annual report to the Meeting. Members who hold shares in dematerialized form are requested to write their Client ID and DP ID numbers and those who hold shares in physical form are requested to write their folio Numbers on the Attendance slip for attending the meeting. All proxy holders are requested to bring their identity proof for verification and to attend the meeting.

5. In case of joint shareholders attending the Meeting, only such holder whose name appears first in the Register of Members will be entitled to vote.
6. Relevant documents referred to in the accompanying Notice are open for inspection at the registered office of the company on all working days between 11.00 a.m. and 1.00 p.m. up to the date of the Annual general Meeting.
7. Members who hold shares in physical form in multiple folios, in identical names or joint accounts in the same order of names are requested to send the share certificates to the Company's Registrar and Transfer agents, Bigshare Services Private Limited for consolidation into a single folio.
8. The Members of the Company had approved the appointment of Goyal Nagpal & Company., Chartered Accountants, as the Statutory Auditors in its 34th Annual General Meeting of the Company. The said appointment is for the period of 5 years till 39th Annual General Meeting of the Company subject to ratification in every Annual General Meeting. Vide Companies (Amendment) Act, 2017, and enforcement of relevant provisions on 7th May, 2018 by Ministry of Corporate Affairs, the provision with regard to ratification of appointment of Statutory Auditor has been abolished, so not covered in the agenda of this Annual General Meeting.
9. Members, who have not received their dividend paid by the Company in respect of earlier years, are requested to check with the Company's Registrars & Transfer Agent. Members are requested to note that in terms of Section 124 of the Companies Act, 2013, any dividend unpaid/unclaimed for a period of 7 years from the date these first became due for payment, is to be transferred to the Investor Education & Protection Fund.

Members who have not yet encashed their dividends for the financial year ended 31st March, 2011 onwards are requested to make their claims to the Company's Registrars & Transfer Agents accordingly, without delay. It may be noted that the unclaimed dividend for the financial year ended 31st March, 2011 are due for transfer to the "Investor Education & Protection Fund" on 28th October 2018.

Please be noted that the members who have not claimed their dividend in any financial year of last 7 consecutive years are requested to claim their dividend. In case of no-claim the shares in respect to those will be transferred to Investor Education and Protection Fund pursuant to the provision of section 124 of the Companies Act, 2013. Intimation in this regard has already been sent to the respective shareholders and the list of the same is also available on the website of the Company i.e. www.amdindustries.com.

In the event of transfer of Shares and the unclaimed dividends to IEPF, Members are entitled to claim the same from IEPF by submitting an online application in the prescribed Form IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in the Form IEPF-5. Members can file only one consolidated claim in a financial year as per the IEPF Rules.

10. The Securities and Exchange Board of India (SEBI) has mandated registration of Permanent Account Number (PAN) and Bank Account Details for all securities holders. Members

holding shares in physical form are therefore, requested to submit their PAN and Bank Account Details to the Company / Registrar and Share Transfer Agent by sending a duly signed letter along with self-attested copy of PAN Card and original cancelled cheque. The original cancelled cheque should bear the name of the Member. In the alternative Members are requested to submit a copy of bank passbook / statement attested by the bank. Members holding shares in demat form are requested to submit the aforesaid information to their respective Depository Participant. SEBI has decided that securities of listed companies can be transferred only in dematerialised form from a cut-off date, to be notified. In view of the above and to avail various benefits of dematerialisation, members are advised to dematerialise shares held by them in physical form.

11. The Notice of the AGM along with the Annual Report is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories, unless any Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode. Annual Report is also available on Company's website www.amdindustries.com. **Members who have not registered their e-mail addresses are requested to register the same with their Depositories.**
13. The Securities and Exchange Board of India has mandated submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in demat form are, therefore, requested to submit PAN details to the Depository Participants with whom they have demat accounts. Members holding shares in physical form can submit their PAN details to Bigshare Services Private Limited / Secretarial department of the Company.
14. Members desirous of getting any information in respect of Accounts of the Company are requested to send their queries in writing to the Company at the Registered Office, so as to reach at least 7 days before the date of the Meeting, so that the required information can be made available at the Meeting.
15. The Members please be informed that as a matter of good corporate governance practices, no gifts, food coupons or gifts coupons shall be distributed at the Annual General Meeting.
16. Pursuant to the provisions of Section 108 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirement) Regulations, 2015, the Company is pleased to provide to its members facility to exercise their right to vote on resolutions proposed to be passed in the Meeting by electronic means. The members may cast their votes using an electronic voting system from a place other than the venue of the Meeting ('Remote e-voting').

The Company has appointed Mr. Amar Gopal Gambhir, Proprietor of M/s A.G.G. & Associates, Company Secretaries, New Delhi to act as the Scrutinizer, for conducting the e-voting and voting process in a fair and transparent manner. The Scrutinizer will submit his report to Chairman of the company within three working days after the conclusion of meeting.

A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e. 21st September, 2017 only shall be entitled to avail the facility of remote e-voting. The voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on cut-off date of 21st September, 2017. A person who is not

a member as on the cut-off date should treat this Notice for information purposes only.

The e-voting period begins on 25th September 2017 at 9.00 a.m. (IST) and ends on 27th September 2017 at 5.00 p.m. (IST). At the end of Remote e-voting period, the facility shall forthwith be blocked. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently. The members who have cast their vote by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.

The Scrutinizer, after scrutinizing the votes cast at the meeting and through remote e-voting, will not later than three days of conclusion of the Meeting, make a consolidated scrutinizer's report and submit the same to the Chairman or a person authorised by him in writing who shall countersign the same. The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.amdindustries.com and on the website of NSDL immediately after the result is declared. The results shall simultaneously be communicated to the Stock Exchanges.

Subject to receipt of requisite number of votes, the Resolutions shall be deemed to be passed on the date of the Meeting, i.e. 28th September, 2017.

MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure & Developments

Packaging

PET packaging is an economical packaging solution, which makes it an obvious choice for manufacturers involved in beverage drinks packaging. The growth of PET preforms market is associated with increasing consumption of the convenient (on-the-go) food and beverage products, such as carbonated soft drinks, Lemonade, and juices in developed as well as developing countries. Despite growing health consciousness among consumers in developed countries, there is still a high rate of carbonated drinks consumption, coupled with a growing trend of single-serve drinks. Single-serve RTD coffee didn't exist a few years ago but is currently more than 30% of the total coffee sold at grocery stores in the U.S. alone. The single-serve coffee market in the U.S. registered a stellar growth rate consistently over the years right after emergence of the product, and will continue to fuel the demand for PET preforms in near future.

Leading manufacturers of PET preforms are continuously focusing on development of lightweight preforms without compromising on quality. Reduction in the weight of the bottle preforms involve redesigning of packaging material which helps packaging companies to reduce the cost of transportation.

Real Estate Market

The real estate sector is currently passing through a transformational phase and the year 2017-18 could be the one of the most defining years in the history of the sector. The much awaited RERA has come into force and this marks the beginning of the new era. In the last few years, the real estate sector is battling a perception of distrust and lack of customer confidence, mainly on account of delayed delivery of projects. With the implementation of RERA, it is largely expected to bring transparency in the real estate sector, which will benefit not just the end user but also the sector itself. It may well pave the way for the revival of the sector.

Segment-wise or product-wise performance

Your Company manufactures Crown Caps which are mainly used as metallic closures for various edible items packed in glass bottles e.g. Carbonated Soft Drinks, Fruit Juices, Milk products, Beer etc. The use of glass bottles has been seen steady or little bit de-growth whereby the use of Returnable Glass Bottle (RGB) has been seen in reducing trends.

The plastic closure market has been continuously getting its momentum due to increased usage of PET Bottles. The sales of Closures were almost flat during the year against last year.

AMD has started the manufacturing of 20 ltrs jars for water for industry purposes during the year under review.

Outlook, Opportunities & Threats, Risk and Concerns

The beauty of our country lies in its democracy and the tremendous opportunities that it brings. Your Company has a very clear vision and strategic plan to capture the latest happenings and trends in the industry and align with them to gain maximum advantage from it. This is, perhaps, the reason why Manjushree continues to grow by leaps and bounds year after year and maintain its market leadership.

On one hand where democracy brings opportunities, it also induces fiercely heavy competition, and your Company is not exclusion of it. The very unstable economy brings huge amount of foreign exchange fluctuation and volatility in Raw Material Prices, which are capable of eroding away the major stack of profits of the Company. Add to this is the extreme misery of having un-skilled manpower. These threats are being carefully examined and solutions are being derived thereof. Centralized operations, implementation of ERP systems and training and development of personnel are being continuously undertaken to make sure that your company stays ahead of the curve and is able to wade of such threats.

Financial Performance

During the year under review your Company registered total revenue of Rs.15824.16 Lakhs as compared to previous year's revenue of Rs.17600.90 Lakhs with a de-growth of approx. 1776.74 Lakhs over the previous year. There is a Net Loss of Rs. 86.66 Lakhs as compared to Net Profit of Rs. 179.85 Lakhs (The profit reported for the previous year 2016-17 was 23.42 Lakhs, the difference of Rs.156.43 Lakhs is due to implementation of Indian Accounting Standard).

Internal Control

The Company has adequate internal control system commensurate with the size of the company. The Company has appointed M/s B. L. Khandelwal & Co., Chartered Accountants, New Delhi, as the Internal Auditor of the Company to carry out the internal audit at regular intervals. The internal audit reports along with action taken reports thereon are reviewed by the Audit Committee.

Material Development in Terms of Human Resources / Industrial Relations front, including number of people employed

Human Resources are considered to be a form of capital and wealth of the Company. The growth of the Company and improvement in the systems has been sustained by the active involvement of the employees with the Management. It has been the focus of the management to improve and expand the contribution of its human resources towards attainment of organizational goals and values. The technical expertise of the Management has been shared with the employees at the works, which keeps them motivated to meet and surpass the set targets. The company employed 253 numbers of on Roll employees during the year.

Independent Auditors' Report

To
the Members of
AMD Industries Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of **AMD Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under section 143(11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its loss, total comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- d) in our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act, read with relevant rules issues thereunder.
- e) on the basis of the written representations received from the directors of the Company as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements - refer note 38 to the standalone Ind AS financial statements.
 - ii. There are no material foreseeable losses on long term contracts including derivative contracts therefore, no such provision is required to be made.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the

“Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Basis of Preparation of financial statements

A Statement of Compliance

Company has adopted Indian accounting Standard (Referred to as "IND AS") as notified by Companies (Indian Accounting Standards) Rules 2015 read with Section 133 of the Companies Act, 2013 with effect from 1 April 2017. Previous period has been restated as per Ind AS.

These are the company's first financial statements for the year ended 31 March 2018 that has been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) (Amendment) Rules, 2016, read with Ind AS based Schedule III, under the Companies Act, 2013.

For all periods up to and including for the year ended 31 March 2018, the company's financial statements prepared complying in all material respects with the accounting standards notified under Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rule, 2014.

The Company has consistently applied the accounting policies used in the preparation of its opening IND AS Balance Sheet at April 1, 2016 throughout all periods presented, as if these policies had always been in effect and are covered by IND AS 101 "First-time adoption of Indian Accounting Standards". The transition was carried out from accounting principles generally accepted in India ("Indian GAAP") which is considered as the previous GAAP, as defined in IND AS 101. The reconciliation of effects of the transition from Indian GAAP to IND AS is disclosed in Note No 45 to these financial statements. The Company's financial statements provide comparative information in respect to the previous year. In addition, the company presents Balance Sheet as at the beginning of the previous year, which is the transition date to IND AS.

Exemptions and Exceptions availed

The Company has prepared the financial statements in accordance with INDAS for the year ending 31 March 2018. In preparing such statements the opening balance sheet was prepared at 1 April 2016, the company's date of transition to IND AS. The note explain principal; adjustments made in order to restate its Indian GAAP financial statements including the balance sheet as at 1 April 2016 and financial statements as at and for the year end 31 March 2017. Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS."

EXEMPTIONS:

i) Property, Plant & Equipment

The Company has opted to continue with the carrying value for all of its property, plant and equipment as recognised in the previous GAAP financial statements as their deemed cost at the transition date to Ind AS (i.e. 1st April, 2016)

ii) Deemed cost of Investment Properties:

The Company has elected to continue with the carrying value for all of its Investment Properties as recognised in the previous GAAP financial statements as their deemed cost at the transition date to Ind AS (i.e. April 1, 2016).

iii) Leases

Company has first time classified Land Lease as Finance Lease and company has adopted the policy specified as per para 9AA of appendix-D of Ind AS 101 and has recognised assets at fair value on that date; and any difference between those fair values is recognised in retained earnings. On the date of transition to Ind AS, the carrying amount of land lease is considered as its Fair Value.

EXCEPTIONS:

i) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

ii) Classification and Measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

B Basis of measurement

The financial statements are prepared on Historical Cost basis except for certain financial assets and liabilities that are measured at fair value (Refer accounting policy regarding Financial Instruments). The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for on accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

C Functional and Presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakh (up to two decimals), except as stated otherwise.

D Use of Estimates

In preparing Company's financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which the same is determined.

E Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current."

3 Significant accounting policies

A Property Plant & Equipment

A.1 Initial recognition and measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful life's, they are recognized separately. Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized. Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

A.2. Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

A.3. Derecognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

A.4. Depreciation/amortization

Depreciation is recognized in profit or loss on a straight-line basis over the estimated useful life of each part of an item of Property, Plant and Equipment. Leasehold lands are amortized over the lease term unless it is reasonably certain that the Company will obtain ownership by the end of the lease term.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment except leasehold land is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013. The estimated useful life are as follows :

	(in Year)
Buildings - Factory	30 Years
Buildings - Other than Factory	60 Years
Plant and Equipments	15 Years
Furnitures and Fixtures	10 Years
Vehicles	8 Years
Office Equipments	5 Years

B Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, any other costs including borrowing cost directly attributable to bringing the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

Expenses directly attributable to construction of property, plant and equipment incurred till these are ready for their intended use are identified and allocated on a systematic basis towards the cost of related assets.

C Intangible assets and intangible assets under development

C.1 Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Expenditure on development activities is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

C.2 Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

C.3 Derecognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

C.4 Amortization

Intangible assets having definite life are amortized on straight line method in their useful lives. Useful life of computer software is estimated at five years.

D Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is provided over the estimated useful lives as specified in Schedule II to the Companies Act, 2013.

E Inventories

Inventories of Raw material, Work-in-progress, Finished goods and Consumable Spares are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows:

- Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis.
- Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity.

All other inventories of stores, consumables, project material at site are valued at cost. The stock of waste is valued at net realisable value."

F Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

G Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

G.1 Financial

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

G.1.1 Initial recognition and measurement

All financial assets are recognized initially at fair value as on 01.04.2016, in the case of financial assets not recorded at fair value, through profit or loss.

G.1.2 Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVOCI).

a) Equity Instruments:

All investments in equity instruments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments if held for trading are classified at FVTPL. For all other equity instruments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment as the company transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the profit and loss.

G.1.3 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

G.1.4 Impairment of Financial Asset

Expected losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit & Loss.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, If credit risk is increased significantly, lifetime ECL is used.

If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL."

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

G.2 Financial liabilities

G.2.1 Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

G.2.2 Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are an integral part of the EIR. Unless assessed otherwise trade and other payables maturing within one year from the balance sheet date, are carried at transaction value less allowance for impairment and the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

G.2.3 Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

H Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

I Impairment of Non-Financial Assets

The Company, in accordance with the Indian Accounting Standard (Ind AS) 36 "Impairment of Assets", has adopted the practice of assessing at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, then the company provides for the loss for impairment of Assets after estimating the recoverable amount of the assets.

J Provisions, Contingent Liabilities and Contingent Assets

Provision are measured at the Present value of the management's best estimate of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably. No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.

K Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable and it is probable that future economic benefits will flow to the entity. Amount of sales are net of goods and service tax, sale returns, trade allowances and discounts but inclusive of excise duty. Revenue from sale of products is recognized when the significant risks and rewards of ownership of the products have been transferred to the buyer, and the amount of revenue can be measured reliably.

Revenue from sale of services are recognised on percentage completion method on invoicing of services and transfer of goods. Percentage of completion is determined as a proportion of cost incurred to date to the total estimated contract cost.

Company continues to account for export benefits on accrual basis.

Dividend income is recognized when the right to receive the income is established.

Interest income is recognised, when no significant uncertainty as to measurability or collectability exists, on a time proportion basis taking into account the amount outstanding and the applicable interest rate, using the effective interest rate method (EIR).

L Foreign Currency Conversions/Transactions

Foreign Currency Transactions are recorded at the exchange rates prevailing under Customs Act on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the Statement of Profit and Loss.

M Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to any business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act, 1961.

b) Deferred Tax

Deferred tax is recognised for temporary differences. However, Deferred Tax Assets is recognised to the extent that, it is probable that taxable income will be available against which the same can be realised. Deferred tax assets are reviewed at each Balance Sheet date and are written-down or written-up to reflect the amount that is reasonably certain (as the case may be) to be realized.

N Employee Benefits

N.1 Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

N.2 Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). The Company has identified two type of post employment benefits :

N.2.1 Defined contribution plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

N.2.2 Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan.

Company pays Gratuity as per provisions of the Gratuity Act, 1972. Leave Encashment payable at the end of the employment is also a post employment defined benefit plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit to employee is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

O Borrowing Cost

General and Specific Borrowing Cost that are directly attributable to the acquisition or construction or production of qualifying assets are capitalized as part of the cost of such assets up to the date when such assets are ready for intended use. Qualified assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Other borrowing costs are charged as expenses in the year in which they are incurred.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing cost eligible for capitalisation."

P Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

Q Leases

As Lessee

Accounting for finance leases

Leases of Property, Plant and Equipment, if any, where the Company, as lessee has substantially all risks and rewards of ownership are classified as finance lease. On initial recognition, assets held under finance leases are recorded as Property, Plant and Equipment and the related liability is recognized under borrowings. At inception of the lease, finance leases are recorded at amounts equal to the fair value of the leased asset or, if lower, the present value of the minimum lease payments. Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability.

Accounting for operating leases

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating lease. Payments made under operating leases are recognized as an expense over the lease term.

R Statement of Cash Flows

Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS-7 'Statement of cash flows.

Note - 42 Financial Risk Management Objectives and Policies

The company's activities are exposed primarily to financial risks from its operations. The key financial risks include market risk (including foreign currency risk, interest rate risk and commodity price risk), credit risk and liquidity risk. The company's overall risk management policy seeks to minimise potential adverse effects on company's financial performance.

1 Market Risk: Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises mainly three types of risk: interest rate risk, currency risk and other price risk such as commodity price risk.

(a) **Foreign Currency Risk:** Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk.

The company takes appropriate hedges to mitigate its risk resulting from fluctuations in foreign currency exchange rate(s).

(b) **Interest Rate Risk:** Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any changes in the interest rates environment may impact future rates of borrowing. The company mitigates this risk by regularly assessing the market scenario, interest rate negotiations with the lenders for ensuring the cost effective method of financing.

(c) **Commodity Price Risk:** The company is affected by the price volatility of certain commodities. its operating activities require the purchase of raw material and manufacturing of Pet Preform, Pet Bottles, Crown Caps, Closures, Pet Jar and Containers, and therefore, requires a continuous supply of certain raw materials and components such as Poly Propylene, Tin Free Steel Sheets, Inks, Chemical, Spares etc. To mitigate the commodity price risk, the company has an approved supplier base to get best competitive prices for the commodities and to assess the market to manage the cost without any compromise on quality.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

- 2 **Credit Risk:** Credit risk is the risk that counterparty might not honor its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risk. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Financial instruments that are subject to concentrations of credit risk principally consist of trade receivables.

Trade Receivables: Customer credit risk is managed based on company's established policy, procedures and controls. The company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

Credit risk is reduced by receiving pre-payments and export letter of credit to the extent possible. The company has a well defined sales policy to minimize its risk of credit defaults. Outstanding customer receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

- 3 **Liquidity Risk:** Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

Note 43 Capital Management

The company's policy is to maintain an adequate capital base so as to maintain creditor and market confidence and to sustain future development. Capital includes issued capital, share premium and all other equity reserves attributable to equity holders. The primary objective of the Company's capital management is to maintain an optimal structure so as to maximise the shareholder's value. In order to strengthen the capital base, the company may use appropriate means to enhance or reduce capital, as the case may be.

The company is not subject to any external imposed capital requirement. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. Net Debt is calculated as borrowings less cash and cash equivalents.

Total Capital	12340.54	12427.20	12362.69
Capital and Net Debt	19599.55	21064.63	20985.44
Gearing Ratio	37.04%	41.00%	41.09%

Note 44 Segment Reporting

As the Company's business activity primarily falls within a single business and geographical segment i.e. Packaging Business, thus there are no additional disclosures to be provided under Ind AS 108 - "Operating Segment". The management considers that the various goods and services provided by the Company constitutes single business segment since the risk and rewards are not different from one another.

A. Property, Plant and Equipment (PPE)- Fair Value as Deemed cost in IND AS

Ind AS 101 permits first time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in financial statement as at date on transition to Ind AS, measured as the previous GAAP and use that as its deemed cost as at date of transition. Accordingly Company has elected to measure all of its Property, Plant and Equipment at their previous GAAP carrying value and major spares parts where life more than one year has been capitalized as on date of transition to Ind AS and depreciation has been charged on amount capitalised. Further corresponding impact on value of inventories has also been recognised. Value of Spare parts amounting to Rs.1.38 Crore as on 31st March, 2017 are included in capitalised cost.

Leasehold land capitalised under previous GAAP has now been classified as operating lease in accordance with Ind AS and premium paid on such land has been amortised to the extent of expired period of lease. Remaining lease value shall be amortised during the remaining lease life of the land.

B. Investments Properties

Investments in real estates amounting to Rs.441.81 Lacs shown as inventory in previous GAAP has been classified as investment properties at book value in accordance with Ind AS. Depreciation of Rs.7.36 Lacs has been charged for financial year 2016-17.

C. Investments other than investment in Subsidiary and joint venture

Under Indian GAAP non-current investments other than investment in subsidiary, joint venture are measured at cost less any permanent diminution in value of investment. Difference between the cost and market price is recognized in profit and loss. Under Ind AS, investments are designated as fair value through profit and loss (FVTPL)

On the transition date the Investments in Quoted Shares and Mutual Funds have been measured at their fair value which is greater than the cost as per previous GAAP, resulting in increase in carrying amount by Rs.3.42 Lacs as at transition date with resulting gain adjusted in retained earnings. Prescribed measurement has been carried out in subsequent year as well.

D. Fair valuation of financial assets and liabilities

Under Indian GAAP, receivables and payables were measured at transaction cost less allowances for impairment, if any. Under IND AS, these financial assets and liabilities are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less allowance for impairment, if any. The resulting finance charge or income is included in finance expense or finance income in the Statement of Profit and Loss for financial liabilities and financial assets respectively.

On the date of transition i.e. 01.04.2016 company has made provision for loss allowance for Rs.154 Lac which under previous GAAP had been recognised in Financial Year 2016-17 accordingly trade receivables have been reduced as on that date.

Under previous GAAP, premium on forward exchange contract was amortised over the period of the forward contract and derivatives, other than the forward exchange contract, taken against the existing underlying liabilities, which were Mark-to-Market (MTM) and only losses were provided whereas gains were ignored as per the principles of prudence. As per Ind AS, all the derivative instruments are recognised at Mark-to-Market and there is no amortisation of premium cost

The Company has recognised Mark-to-Market loss/(gain) on the derivative instruments and reversed the amortisation of premium which has resulted in decrease in other current assets by Rs.165.71 Lac and also decrease in other current liabilities by Rs.161.16 Lacs as on March 31, 2017. Differential amount of Rs.4.55 Lac recognised as MTM loss as on March 31, 2017 is adjusted with retained earnings.

E. Borrowings

Borrowing designated and carried at amortised cost are accounted on EIR (Effective Interest Rate) method. The upfront fee or cost of borrowing incurred is deferred and accounted on EIR. Borrowings are shown as net of unamortised amount of upfront fee incurred.

Accordingly borrowings as at April 1, 2016 and March 31, 2017 have been reduced by Rs.26.78 Lacs and Rs.32.89 respectively with a corresponding adjustment to Retained earnings in respective years. Net impact of Rs.6.11 Lacs is charged in the statement of profit and loss for the year ended March 31, 2017 in accordance with Ind AS.

F. Deferred Tax

Previous GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base.

The various transitional adjustments mainly increase in Property, Plant and Equipment lead to temporary change in value. Deferred tax adjustments are recognised in correlation to the underlying transactions. The net impact on deferred tax liabilities of Rs.98.46 Lacs has been recognised as on the date of transition and further impact on deferred tax liabilities of Rs.6.43 Lacs has been recognised as on March 31, 2017. Deferred tax asset arising due to remeasurement of Defined Benefit Plan has also been recognised as on March 31, 2017.

G. Provisions

Under previous GAAP, proposed dividend including dividend distribution tax (DDT) are recognised as a liability in the period to which they relate, irrespective of when they are declared. Under Ind AS, a proposed dividend is recognised as a liability in the period in which it is declared by the Company (usually when approved by shareholders in a general meeting) or paid.

In case of the Company, the declaration of dividend occurs after the year end. Liabilities including dividend distribution tax (DDT) for the year ended March 31, 2016 has been de-recognised against Retained Earnings on April 01, 2016.

H. Revenue

Under Ind AS, Revenue is recognized at the fair value of the consideration received or receivable. As a result, discounts are required to be reduced from sales.

To comply with the requirements of Ind AS discounts on sales and purchase have been recognised in respective major head.

I. Defined benefit obligations

The impact of change in actuarial assumption and experience resulting in adjustments for defined benefit obligation towards gratuity liability is accounted in the Statement of Other Comprehensive Income along with its corresponding tax impact.

NOTE - 46

During the year the Company has capitalised the borrowing cost of Rs.9.04 Lac under the head Plant and Equipment.

NOTE - 47

The impact of transition from Indian GAAP to IND AS on the Statement of Cash Flows is due to various reclassification adjustments recorded under IND AS in Balance Sheet and Statement of Profit & Loss.

NOTE - 48

Figures Relating to April 1, 2016 (date of transition) and previous year have been restated/regrouped/reclassified wherever necessary to make them comparable with the current year figures.

NOTE - 49

Figures in Balance Sheet, Statement of Profit and Loss and Notes to audited financial statements have been rounded off to the nearest thousand and have been expressed in terms of decimals.
