NOTES:

1. In Continuation with the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020 Circular No. 02/2021 dated January 13, 2021, and all other relevant circulars issued from time to time, Ministry of Corporate Affairs & Securities Exchange Board of India further given the relaxation vide their circular No.02/2022 dated May 05, 2022 and SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated 05 Jan 2023 that the physical attendance of the Members to the EGM/AGM venue is not required and general meeting be

held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing EGM/AGM through VC/OAVM.

2. The deemed venue for Fortieth e-AGM shall be the Registered Office of the Company at Karol Bagh, New Delhi-110005.
3. Pursuant to the provisions of the Act, a member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/OAVM facility, physical attendance of members has been dispensed with. Accordingly, the facility for appointment of proxies by the members will not be available for the e-AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.
4. Institutional/Corporate shareholders (i.e. other than individuals/HUF, NRI, etc.) are required to send a scanned copy (pdf/jpg format) of its board or governing body's resolution/authorization, etc., authorizing their representative to attend the e-AGM on its behalf and to vote through remote e-voting. The said resolution/authorization shall be sent to the scrutinizer by email through its registered email address to aggandassociates@gmail.com with a copy marked to investor@amdindustries.com.
5. The Company has announced Book Closure from September 22nd 2023 to September 28th 2023 (both days inclusive).
6. The facility of joining the e-AGM through VC/OAVM will be opened 15 minutes before and will be open Upto 15 minutes after the scheduled start time of the e-AGM, i.e., from 02.15 p.m to 02.45 p.m. and will be available for 1,000 members on a first come first-served basis. This rule would however not apply to participation of shareholders holding 2% or more shareholding, promoters, institutional investors, directors, key and senior managerial personnel, auditors, etc.
7. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
8. Institutional investors, who are members of the Company, are encouraged to attend and vote at the Fortieth e-AGM of the Company.
9. To avoid fraudulent transactions, the identity/signature of the members holding shares in electronic/demat form is verified with the specimen signatures furnished by NSDL/CDSL and that of members holding shares in physical form is verified as per the records of the share transfer agent of the Company. Members are requested to keep the same updated.
10. SEBI has mandated the submission of Permanent Account Number (PAN) by every person dealing in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their depository participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or Bigshare Services Private Limited.

11. In terms of sections 101 and 136 of the Act, read with the rules made thereunder, the listed companies may send the notice of AGM and the annual report, including financial statements, boards' report, etc. by electronic mode. Pursuant to the said provisions of the Act read with MCA Circulars, SEBI Circular dated January 05th 2023, Notice of Fortieth e-AGM along with the Annual Report for FY2023 is being sent only through electronic mode to those members whose email addresses are registered with the Company/depositories. Members may note that the Notice and Annual Report for FY2023 will also be available on the Company's website at <https://www.amdindustries.com/> and of the stock exchanges i.e., BSE Limited at www.bseindia.com and National Stock Exchange of India Limited at www.nseindia.com and on the website of AMD at <https://www.amdindustries.com/>
12. To receive communications through electronic means, including Annual Reports and Notices, members are requested to kindly register/update their email address with their respective depository participant, where shares are held in electronic form. In case of shares held in physical form, members are advised to register their e-mail address with Bigshare Services Private Limited by sending their request. Further, the Company had availed of services offered by NSDL to update email addresses of shareholders of the Company having their holding with a depository participant registered with NSDL and have not registered their email addresses. Members are requested to register their email id and support the green initiative efforts of the Company.
13. Further, those members who have not registered their email addresses and in consequence could not be served the Annual Report for FY2023 and Notice of Fortieth e-AGM, may temporarily get themselves registered with Bigshare, by clicking the link: www.bigshareonline.com/ForInvestor.aspx for receiving the same. Members are requested to support our commitment to environment protection by choosing to receive the Company's communication through email going forward.
14. With a view to enable the Company to serve the members better, members who hold shares in identical names and in the same order of names in more than one folio are requested to write to the Company to consolidate their holdings in one folio.
15. SEBI vide its notification dated 8th June 2018 as amended on 30th November 2018, has stipulated that w.e.f. 01st April 2019, the transfer of securities (except transmission or transposition of shares) shall not be processed, unless the securities are held in the dematerialized form. The Company has complied with the necessary requirements as applicable, including sending of letters to shareholders holding shares in physical form and requesting them to dematerialize their physical holdings.
16. Members who still hold share certificates in physical form are advised to dematerialize their shareholding to also avail of numerous benefits of dematerialization, which include easy liquidity, ease of trading and transfer, savings in stamp duty and elimination of any possibility of loss of documents and bad deliveries.
17. In case of joint holders, the member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the e-AGM.
18. The Company has been maintaining, inter alia, the following statutory registers at its registered office at Karol Bagh, New Delhi
 - i) Register of contracts or arrangements in which directors are interested under section 189 of the Act.
 - ii) Register of directors and key managerial personnel and their shareholding under section 170 of the Act. In accordance with the MCA Circulars, the said registers will be made accessible for inspection through electronic mode and shall remain open and be accessible to any member during the continuance of the meeting.
19. Any Member desirous of receiving any information on the Financial Statements of the Company are requested to write to the Company at least 7 working days prior to the AGM through e-mail on investor@amdindustries.com, The same shall be replied by the Company suitably.
20. Pursuant to section 72 of the Act, members holding shares in physical form are advised to file nomination in the prescribed Form SH-13 (a copy of which is available on the Company's website at <https://www.amdindustries.com/> with Bigshare Services Private Limited. In respect of shares held in electronic/demat form, the members may please contact their respective depository participant.
21. In terms of section 124(5) of the Act, dividend amount for FY 2016 remaining unclaimed for a period of 7 years shall become due for transfer in September 2023 to the Investor Education and Protection Fund (IEPF) established by the Central Government.

Further, in terms of section 124(6) of the Act, in case of such shareholders whose dividends are unpaid for a continuous period of 7 years, the corresponding shares shall be transferred to the IEPF demat account.

Members who have not claimed dividends from FY2016 onwards are requested to approach the Company/Bigshare for claiming the same as early as possible, to avoid transfer of the relevant shares to the IEPF demat account.
22. For more details on shareholders' matters, please refer to the section on 'General Shareholder Information', included in the Annual Report.
23. Since the meeting will be conducted through VC/OAVM facility, the route map is not annexed to this Notice.

34. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
35. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as venue voting on the date of the AGM will be provided by NSDL.
36. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at www.amdindustries.com The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively and the AGM Notice is also available on the website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The remote e-voting period begins on 9.00 a.m. on Monday, September 25th 2023 and will end at 5.00 p.m. on Wednesday, September 27th 2023. The remote e-voting module shall be disabled by NSDL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. September 21st 2023, may cast their vote electronically. The voting right of shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being September 21st 2023.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository**

Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure & Developments

Packaging

The global plastic packaging market size was valued at USD 369.21 billion in 2022 and is expected to progress at a compound annual growth rate (CAGR) of 3.6% from 2023 to 2030. Expanding the size of key application industries, including personal and household care, pharmaceuticals, food & beverages, and the growing penetration of e-retail across the globe are primarily fueling the growth of plastic packaging. Plastic offers both rigid & flexible, lightweight, and transparent forms of packaging, on account of which the key industries such as food and beverage, household & personal care, and industrial primarily prefer it as a substitute over its counterparts such as glass or metal. Furthermore, engineered plastic can endure extreme environmental conditions and not degrade in extreme temperatures, thereby preserving the integrity of products such as cosmetics and food & beverages. Moreover, the low cost and excellent printability associated with plastic make it a lucrative packaging material.

Compared to other packaging products, consumers have shown an increasing inclination toward plastic packaging, as plastic packages are lightweight and easier to handle. Similarly, even the big manufacturers prefer plastic packaging solutions because of their lower cost of production.

Real Estate Market

The Real Estate Industry In India is estimated at USD 265.18 billion in 2023, and is expected to reach USD 828.75 billion by 2028, growing at a CAGR of 25.60% during the forecast period (2023-2028). The country's real estate market was affected by the COVID-19 pandemic.

Among the most well-known industries in the world is the real estate industry. The four subsectors of this industry are housing, retail, hospitality, and business. With the rise of the corporate environment, the demand for office space and urban and semi-urban accommodation has increased, assisting the growth of this business. Among the 14 major industries, the construction industry ranks third, covering direct, indirect, and induced sectors of the economy.

The real estate sector creates the second most number of jobs in India, after agriculture. This industry is also likely to attract more excellent non-resident Indian (NRI) investments in the short and long term.

Segment-wise or product-wise performance

Your Company manufactures Crown Caps, CSD Closures, Pet Preforms, Jars, and Bottles etc for various edible items packed in glass & Plastic bottles e.g. Carbonated Soft Drinks, Fruit Juices, Milk products, Beer etc.

In the reporting financial year 2022-23, overall volume wise performance of the company was good in comparison to last two years which were impacted by the Covid very badly. Sales of Crown perform and closures are also risen accordingly. These results were due to good sales volumes in different segments but majorly in sale of Closures which rose by 47%, pet preform by 61% and Crown by 68%. Other products are also accordingly performed well. Your company is trying to keep it up and will try to reach at its next level in the current financial year (2023-24).

Outlook, Opportunities & Threats, Risk and Concerns

Outlook

Plastic has become an integral part of our daily lives, from the packaging of products we consume to the materials used in construction, automobiles, and electronics. The global plastic manufacturing industry has witnessed a significant growth in recent years, driven by factors such as the increasing demand for plastic products, technological advancements in plastic manufacturing, and the adoption of sustainable practices.

However, the industry also faces challenges such as environmental concerns related to plastic waste, regulations on plastic usage, and fluctuations in raw material prices. To navigate these challenges and tap into the opportunities presented by the industry, businesses need to keep a pulse on the latest trends and forecasts.

Challenges and Threats Facing the Industry

The plastic manufacturing industry faces several challenges and threats, which could impact its growth and sustainability in the long run. Here are some of the significant challenges and threats facing the industry:

Environmental Concerns: One of the most significant challenges facing the plastic manufacturing industry is the growing concern over plastic waste and its impact on the environment. Governments and consumers are increasingly pushing for more sustainable practices and materials, which could lead to a decline in demand for traditional plastics.

Regulatory Pressure: Governments worldwide are implementing stricter regulations and policies aimed at reducing plastic waste, increasing recycling rates, and promoting sustainable materials. These regulations could increase the industry's compliance costs and impact profitability.

Volumes of Major Products have increased by 47%, 61% and 68% in case of "Closures", "Pet Perform" and "Crown" respectively.

Volatility of Raw Material Prices: The plastic manufacturing industry is heavily dependent on the price and availability of raw materials such as crude oil and natural gas. Any fluctuations in these prices can impact the industry's profitability and sustainability.

Geopolitical Risks: The plastic manufacturing industry's global nature exposes it to geopolitical risks such as trade tensions, political instability, and supply chain disruptions.

Plastic manufacturing industry faces several challenges and threats, ranging from environmental concerns to regulatory pressure and competition from other materials.

Companies in the industry must adapt to changing consumer preferences and emerging technologies to remain competitive and sustainable in the long run.

Opportunities

The introduction of innovative solutions, such as active packaging, modified atmosphere, edible and bioplastic packaging extend profitable opportunities to the market players in the forecast period of 2022 to 2029. Additionally, the awareness regarding waterborne diseases will further expand the future growth of the plastic packaging market.

Opinion

We have audited the accompanying financial statements of **AMD Industries Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2023, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements read together with other notes thereon, give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of the affairs of the company as at March 31, 2023, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Report of the Board of Directors including Annexures thereto and Management Discussion and Analysis Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material

misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The financial statements of the Company for the year ended 31 March 2022 were audited by the predecessor auditor, Goyal Nagpal & Co., who have expressed an unmodified opinion on those financial statements vide their audit report dated 30 May 2022.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "**Annexure A**", a statement on the matters specified in the paragraph 3 and 4 of the order, to the extent applicable.
2. (A) As required by Section 143 (3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure-A to the Independent Auditor's report

With reference to the 'Annexure A' referred to in the Independent Auditors' Report to the Members of **AMD Industries Limited** ('the Company') on the financial statements for the year ended March 31, 2023, we report the following:

- (i) (a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and investment properties.
- B. The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment and Investment properties by which all property, plant and equipment and investment properties are verified every year. In accordance with this programme, property, plant and equipment and investment properties were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or Intangible Assets during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion according to the information and explanations given to us, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company of the respective quarters.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, provisions of clauses 3(iii)(a) to 3(iii) (f) of the Order are not applicable to the Company.
- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has neither made any investments nor has it given loans or provided guarantee or security and therefore the relevant provisions of Sections 185 and 186 of the Companies Act, 2013 ("the Act") are not applicable to the Company. Accordingly, clause 3(iv) of the Order is not applicable.

- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.
- (vii) (a) The Company has been generally regular in depositing undisputed statutory dues, including goods and services tax, provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues applicable to it to the appropriate authorities.
- (b) There were no undisputed amounts payable in respect of goods and services tax, provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us, there are no statutory dues referred to in subclause (a) above that have not been deposited with the appropriate authorities on account of any dispute, except for the following:

Annexure 'B' to the Independent Auditor's Report

Report on the Internal Financial Controls with reference to the aforesaid financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the financial statements of **AMD Industries Limited** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the financial statements included obtaining an understanding of internal financial controls with reference to the financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the financial statements.

Meaning of Internal Financial Controls with reference to the financial statements

A company's internal financial control with reference to the financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the financial statements

Because of the inherent limitations of internal financial controls with reference to the financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the financial statements to future periods are subject to the risk that the internal financial control with reference to the financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as of March 31, 2023, based on the internal financial controls with reference to the financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The company is continuously catering to packaging needs of Beverages and Brewery Industry. The Company has also Interest in Real Estates Business.

The Financial Statements for the year ended March 31, 2023 were approved for issue by Company's Board of Director on May 23, 2023

2 Significant accounting policies

2.1 Basis of preparation

The financial statements have been prepared in accordance with Indian Accounting Standards as defined in Rule 2(1)(a) of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter, prescribed under Section 133 of the Companies Act, 2013 ("Ind AS"). The presentation of the Financial Statements is based on Ind AS Schedule III of the Companies Act, 2013.

2.2 Basis of measurement

The financial statements are prepared on Historical Cost basis except for certain financial assets and liabilities that are measured at fair value (Refer accounting policy regarding Financial Instruments). The accounting policies not specifically referred to otherwise, are consistent and in consonance with generally accepted accounting principles. All income and expenditure are being accounted for on accrual basis.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

2.3 Functional and Presentation currency

These financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest lakhs (upto two decimals), except as stated otherwise.

2.4 Use of Estimates

In preparing Company's financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that affect the reported amount of assets and liabilities and the disclosure of contingent liabilities at the date of the financial statements and reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates. Any revision to accounting estimates is recognized in the period in which the same is determined.

2.5 Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when it is:

- Expected to be settled in normal operating cycle;
- Due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.6 Property Plant & Equipment

i) Initial recognition and measurement

An item of property, plant and equipments recognized as an asset if and only if it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Items of Property, Plant and Equipment are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management. When parts of an item of property, plant and equipment have different useful life, they are recognized separately. Items of spare parts, stand-by equipment and servicing equipment which meet the definition of Property, Plant and Equipment are capitalized. Property, Plant and Equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as 'Capital Work-In-Progress'.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably. The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The carrying amount of the replaced part is derecognized. The costs of the day-to-day servicing of Property, Plant and Equipment are recognized in profit or loss as incurred.

NOTES TO FINANCIAL STATEMENTS

iii) De-recognition

Property, Plant and Equipment are derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized in the statement of profit and loss.

iv) Depreciation/amortization

Depreciation is recognized in profit or loss on straight line method over the estimated useful life of each item of Property, Plant and Equipment & Investment Property.

Depreciation on additions to/deductions from property, plant and equipment and Investment Property during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

Depreciation on property, plant and equipment and Investment Property is provided on their estimated useful life as prescribed by Schedule II of Companies Act, 2013 as follows:

Buildings - Factory	30 Years
Buildings - Other than Factory	60 Years
Plant and Equipments	15 Years
Furnitures and Fixtures	10 Years
Vehicles	8 Years
Office Equipments	5 Years
Investment Property	60 Years

2.7 Capital work-in-progress

The cost of self-constructed assets includes the cost of materials & direct labour, borrowing costs, any other costs directly attributable to bring the assets to the location and condition necessary for it to be capable of operating in the manner intended by management.

Expenses directly attributable to construction of property, plant and equipment incurred till these are ready for their intended use are identified and allocated on a systematic basis towards the cost of related assets.

2.8 Intangible assets

i) Initial recognition and measurement

An intangible asset is recognized if and only if it is probable that the expected future economic benefits that are attributable to the asset will flow to the company and the cost of the asset can be measured reliably.

Intangible assets that are acquired by the Company, which have finite useful lives, are recognized at cost. Subsequent measurement is done at cost less accumulated amortization and accumulated impairment losses. Cost includes any directly attributable incidental expenses necessary to make the assets ready for its intended use.

Expenditure on development activities is capitalized only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable and the Company intends to and has sufficient resources to complete development and to use or sell the asset.

Expenditure incurred which are eligible for capitalizations under intangible assets are carried as intangible assets under development till they are ready for their intended use.

ii) Subsequent costs

Subsequent expenditure is recognized as an increase in the carrying amount of the asset when it is probable that future economic benefits deriving from the cost incurred will flow to the enterprise and the cost of the item can be measured reliably.

iii) De-recognition

An intangible asset is derecognized when no future economic benefits are expected from their use or upon their disposal. Gains and losses on disposal of an item of intangible assets are determined by comparing the proceeds from disposal with the carrying amount of intangible assets and are recognized in the statement of profit and loss.

iv) Amortization

Intangible assets having definite life are amortized on straight line method in their useful life of 5 year.

2.9 Investment Property

Investment properties are measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on building is provided using the straight line method over the estimated useful lives as specified in Schedule II to the Companies Act, 2013.

2.10 Inventories

Inventories of Raw material, Work-in-progress, Finished goods and Consumable Spares are valued at the lower of cost and net realisable value.

Costs incurred in bringing each product to its present location and condition are accounted for as follows: • Raw materials: cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on FIFO basis. • Finished goods and work in progress: cost includes cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity. All other inventories of stores, consumables, project material at site are valued at cost. The stock of waste is valued at net realisable value.

2.11 Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of change in value.

NOTES TO FINANCIAL STATEMENTS

2.12 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i) **Financial assets:** Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

a) Initial recognition and measurement

All financial assets are recognized initially at fair value plus or minus, in the case of financial assets not recorded at fair value through profit or loss, transaction cost that are attributable to the acquisition of Financial Assets.

b) Subsequent measurement

Financial assets are subsequently classified and measured at:

- Financial assets at amortised cost
- Financial assets at fair value through profit and loss (FVTPL)
- Financial assets at fair value through other comprehensive income (FVOCI).

c) Equity Instruments:

All investments in equity instruments in entities other than subsidiaries and joint ventures are measured at fair value. Equity instruments if held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either at FVTOCI or FVTPL. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instruments, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment as the company transfers cumulative gain or loss within the equity.

Equity instruments if classified as FVTPL category are measured at fair value with all changes recognized in the profit and loss.

d) De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The contractual rights to receive cash flows from the asset have expired, or
- The Company has transferred its contractual rights to receive cash flows from the asset.

e) Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition in Statement of Profit and loss.

For recognition of impairment loss on financial assets other than Trade receivables, the company determines whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide impairment loss. However, If credit risk is increased significantly, lifetime ECL is used.

If, in a subsequent period, credit quality of the instrument improves to such extent that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12- Month ECL.

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

ii) **Financial liabilities**

a) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

b) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. Amortized cost is calculated by taking into account any discount or premium on acquisition and any material transaction that are any integral part of the EIR. Trade and other payables maturing within one year from the balance sheet date are carried at transaction value and the carrying amounts approximate fair value due to the short maturity of these instruments. Financial liabilities carried at fair value through profit or loss are measured at fair value with all changes in fair value recognised in the Statement of Profit and Loss.

c) De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

2.13 Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use. The company uses valuation

NOTES TO FINANCIAL STATEMENTS

techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or Indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. The Company determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

2.14 Impairment of Financial Assets

All financial assets except for those at FVTPL are subject to review for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a company of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets. In accordance with Ind-AS 109, the company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets carried at amortised cost. ECL is the weighted average of difference between all contractual cash flows that are due to the company in accordance with the contract and all the cash flows that the company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the company is required to consider –

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

2.15 Impairment of Non-Financial Assets

The Company, in accordance with the Indian Accounting Standard (Ind AS) 36 "Impairment of Assets", has adopted the practice of assessing at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, then the company provides for the loss for impairment of Assets after estimating the recoverable amount of the assets.

2.16 Provisions, Contingent Liabilities and Contingent Assets

Provision are measured at the Present value of the management's best estimate of the expenditure required to settle the present obligation at the end of reporting period. Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events which is not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or estimate of the amount cannot be measured reliably. No contingent asset is recognized but disclosed by way of notes to accounts only when its recognition is virtually certain.

2.17 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Amount of sales are net of goods and service tax, sale returns, trade allowances and discounts.

To determine whether to recognize revenue, the company follows a 5-step process:

1. Identifying the contract with a customer
2. Identifying the performance obligations
3. Determining the transaction price
4. Allocating the transaction price to the performance obligations
5. Recognising revenue when/as performance obligation(s) are satisfied.

The company considers the terms of the contract and its customary business practice to determine the transaction price.

In all cases, the total transaction price is allocated amongst the various performance obligations based on their relative standalone selling price. The transaction price excludes amounts collected on behalf of third parties. The consideration promised include fixed amounts, variable amounts, or both.

For each performance obligation identified the company determines at contract inception whether it satisfies the performance obligation over time or satisfies the performance obligation at point in time. If any entity does not satisfy a performance obligation over time, the performance obligation is satisfied at a point in time. A receivable is recognised where the company's right to consideration is unconditional (i.e. any passage of time is required before payment if the consideration is due). When either party to a contract has performed, an entity shall present the contract in the balance sheet as contract asset or contract liability, depending on the relationship between the entity's performance and the customer's payment.

Revenue is recognised either at a point in time or over time, when (or as) the company satisfies performance obligations by transferring the promised goods or services to its customers.

While this represents significant new guidance, the implementation of this new guidance had no impact on the timing or amount of revenue recognised by the company in any year.

Company continues to account for export benefits on accrual basis.

Other income

All other income is recognized on accrual basis when no significant uncertainty exists on their receipt.

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest is accrued on time proportion basis, by reference to the principle outstanding at the effective interest rate.

Dividends

Income from dividend on investments is accrued in the year in which it is declared, whereby the company's right to receive is established.

NOTES TO FINANCIAL STATEMENTS

2.18 Foreign Currency Conversions/Transactions

Foreign Currency Transactions are recorded at the exchange rates prevailing on the date of the transactions. Gains and losses arising out of subsequent fluctuations are accounted for on actual payments or realisations as the case may be. Monetary assets and liabilities denominated in foreign currency as on Balance Sheet date are translated into functional currency at the exchange rates prevailing on that date and Exchange differences arising out of such conversion are recognised in the Statement of Profit and Loss.

2.19 Income Taxes

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to any business combination or to an item which is recognised directly in equity or in other comprehensive income.

a) Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date. Current income tax relating to items recognized outside statement of profit or loss is recognized outside statement of profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

b) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside statement of profit or loss is recognized outside statement of profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable company Group and the same taxation authority.

2.20 Employee Benefits

i) Short Term Employee Benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present, legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

ii) Post-Employment benefits

Employee benefit that are payable after the completion of employment are Post-Employment Benefit (other than termination benefit). Company has identified two types of post employment benefits:

a) Defined contribution plans

Defined contribution plans are those plans in which the company pays fixed contribution into separate entities and will have no legal or constructive obligation to pay further amounts. Provident Fund and Employee State Insurance are Defined Contribution Plans in which company pays a fixed contribution and will have no further obligation beyond the monthly contributions and are recognised as an expenses in Statement of Profit & Loss.

b) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. Company pays Gratuity as per provisions of the Gratuity Act, 1972. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit to employees is discounted to determine its present value.

The calculation is performed annually by a qualified actuary using the projected unit credit method. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Any actuarial gains or losses pertaining to components of re-measurements of net defined benefit liability/(asset) are recognized in OCI in the period in which they arise.

iii) Other Employee Benefits

Other employee benefits are accounted for on accrual basis. Liabilities for compensated absences are determined based on independent actuarial valuation at year end and charge is recognised in the statement of profit and loss.

2.21 Borrowing Cost

Borrowing cost include interest calculated using the effective interest method, amortization of ancillary costs and other costs the company incurs in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time that is necessary to complete and prepare the asset for its intended use or sale. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Capitalisation of borrowing costs is suspended in the period during which the active development is delayed due to, other than temporary, interruption. All other borrowing costs are charged to the statement of profit and loss as incurred.

2.22 Earning Per Share

Basic Earning Per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, net profit after tax during the year and the weighted average number of shares outstanding during the year are adjusted for the effect of all dilutive potential equity shares.

NOTES TO FINANCIAL STATEMENTS

2.23 Leases

The Company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

The Company determines the lease term as the non-cancellable term of the lease, together with any periods covered by an option to extend the lease if it is reasonably certain to be exercised, or any periods covered by an option to terminate the lease, if it is reasonably certain not to be exercised.

Right-of-use assets

The Company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any measurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the lease term.

Lease Liability

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments less any lease incentives receivable. Variable lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments or a change in the assessment of an option to purchase the underlying asset.

Short-term leases and leases of low-value assets

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

2.24 Statement of Cash Flows

Statement of cash flows is prepared in accordance with the Indirect method prescribed in Ind AS-7 'Statement of cash flows.

2.25 Government Grants

Government grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

2.26 Segment reporting

The company is engaged in "the business of Packaging Business" which in the context of Ind AS 108 "Operating Segment" is considered as the only segment. The company's activities are restricted within India and hence, no separate geographical segment disclosure is considered necessary.

2.27 Asset Classified as held for sale

The Company classifies non-current assets as held for sale if their carrying amounts will be recovered principally through a sales rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

For these purposes, sales transactions include exchanges of non-current assets for the other non-current assets when the exchange has commercial substance. The criteria for held for sale classification is regarded met only when the assets is available for immediate sale in its present condition, subject only to terms that are usual and customary for sales of such assets, its sale so highly probable: and it will genuinely be sold, not abandoned. The company treats sales of the asset to be highly probable when:

- The appropriate level of management is committed to a plan to sell the asset,
- An active programme to locate a buyer and complete the plan has been initiated
- The assets is being actively marketed for sale at a price that is reasonable in relation to its current fair value.
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and
- Actions required to complete the plan indicated that it is unlikely that significant changes to the plan will be made or that the plant will be withdrawn

Non-Current assets held for sale are measured at the lower at their carrying amount and the fair value less cost to sell.

Assets and liabilities classified as held for sale are presented separately in the balance sheet.

Property, Plant and equipment and intangible assets once classified as held for sale are not depreciated or amortised.

2.28 Recent Pronouncements

The Ministry of Corporate Affairs has vide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2023. The Rules predominantly amends Ind AS 1, Presentation of financial statements and Ind AS 12, Income taxes, whereas the other amendments notified by these rules are primarily in the nature of clarifications. As per the Management's assessment, these amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions.

NOTES TO FINANCIAL STATEMENTS

NOTE - 50 FAIR VALUE DISCLOSURES

i) Fair values hierarchy

Financial assets and financial liabilities measured at fair value in the statement of financial position are divided into three Levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

Financial assets and liabilities measured at fair value - recurring fair value measurements

As at 31 March 2023	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through profit and loss	-	-	-	-

As at 31 March 2022	Level 1	Level 2	Level 3	Total
Assets at fair value				
Investments measured at fair value through profit and loss	-	-	-	-

Valuation process and technique used to determine fair value

The fair value of investments in shares is based on the market price as per stock exchange as stated by the issuers of these shares in the published statements as at the Balance Sheet date. Market price represents the price at which the issuer will issue further shares and the price at which issuers will redeem such shares from the investors.

(ii) Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed is as follows:

Rs. in Lakhs

Total financial liabilities		18,801.58	18,801.58	14,302.88	14,302.88

The management assessed that cash and cash equivalents, other bank balances, trade receivables, trade payables, borrowings and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

- (i) Long-term fixed-rate receivables are evaluated by the Company based on parameters such as interest rates, individual creditworthiness of the customer and other market risk factors.

The Company's risk management is carried out by a project finance team and treasury team group under policies approved by board of directors. The Company treasury identifies, evaluate and hedge financial risk in close co-operation with the group's operating units. The management of the Company provides principles for overall risk management, as well as policies covering specific areas, such as, interest rate risk, and credit risk and investment of excess liquidity.

A) Credit risk

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example receivables from customers etc. The Company's maximum exposure to credit risk is limited to the carrying amount of following types of financial assets. - cash and cash equivalents, - trade receivables, - receivables carried at amortised cost, and- deposits with banks

a) Credit risk management

The Company assesses and manages credit risk based on internal credit rating system, continuously monitoring defaults of customers and other counterparties, identified either individually or by the Company, and incorporates this information into its credit risk controls. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

Low credit risk

Moderate credit risk

High credit risk

Assets under credit risk :

	Other Bank Balances	986.78	799.21
	Loans	16.35	12.80
	Other financial assets	970.85	569.09

Cash & cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks.

Trade receivables and other financial assets

The Company has established a credit policy under which each new customer is analysed individually for creditworthiness before the payment and delivery terms and conditions are offered. The Company's review includes external ratings, if they are available, financial statements, credit agency information, industry information and business intelligence. Sale limits are established for each customer and reviewed annually. Any sales exceeding those limits require approval from the appropriate authority as per policy.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are an individual or a legal entity, whether they are a institutional, dealers or end-user customer, their geographic location, industry, trade history with the Company and existence of previous financial difficulties.

Expected credit loss for trade receivables:

The Company based on internal assessment which is driven by the historical experience/ current facts available in relation to default and delays in collection thereof, the credit risk for trade receivables is considered low.

B) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its present and future obligations associated with financial liabilities that are required to be settled by delivering cash or another financial asset. The Company's objective is to, at all times maintain optimum levels of liquidity to meet its cash and collateral obligations. The Company requires funds both for short term operational needs as well as for long term investment programs mainly in growth projects. The Company closely monitors its liquidity position and deploys a robust cash management system. It aims to minimise these risks by generating sufficient cash flows from its current operations, which in addition to the available cash and cash equivalents, liquid investments and sufficient committed fund facilities, will provide liquidity.

a) Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

NOTES TO FINANCIAL STATEMENTS

Sensitivity Analysis

A reasonably possible strengthening (weakening) of the INR against EURO and USD as at 31st March would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit/(loss) by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Sensitivity Analysis	As at 31.03.2023	As at 31.03.2022
		INR	INR
EURO sensitivity -Increase	1%	(0.32)	(0.84)
USD Sensitivity - Increase	1%	(4.03)	(0.90)
EURO Sensitivity - Decrease	1%	0.32	0.84
USD Sensitivity -Decrease	1%	4.03	0.90

b) Interest rate risk

i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2023, the Company is exposed to changes in market interest rates through bank borrowings at variable interest rates. The Company's investments in fixed deposits all pay fixed interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Rs. in Lakhs

Particulars	As at 31.03.2023	As at 31.03.2022
Variable rate borrowing	9,390.63	7,740.27
Fixed rate borrowing	908.32	894.30
Total borrowings	10,298.95	8,634.57

Sensitivity

Below is the sensitivity of profit/(loss) and equity changes in interest rates.

Rs. in Lakhs

Particulars	As at 31.03.2023	As at 31.03.2022
Interest sensitivity*		
Interest rates – decrease by 100 bps*	93.91	77.40
Interest rates – increase by 100 bps*	(93.91)	(77.40)

* Holding all other variables constant

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

c) Competition and Price Risk

The Company faces competition from competitors. Nevertheless, it believes that it has competitive advantage in terms of high quality products and by continuously upgrading its expertise and range of products to meet the needs of its customers.
